PURSUANT TO 26 <i>DEL. C.</i> § 315 (filed Nov. 30, 2020))	

**REQUEST OF DELMARVA POWER & LIGHT COMPANY
TO RESET DSIC CHARGE FOR ELECTRIC DISTRIBUTION SERVICE**

Pursuant to 26 *Del. C.* § 315, on November 30, 2020, Delmarva Power & Light Company (“Delmarva” or “Company”), filed an application (“Application”) to update the Distribution Service Improvement Charge (“DSIC”) rate for its electric distribution service (“Electric DSIC Rate”), effective January 1, 2021.

By way of Order No. 9707, the Delaware Public Service Commission (the “Commission”) approved the requested Electric DSIC Rate of 1.29% to become effective on January 1, 2021, on an interim basis subject to Staff’s Audit and final approval.

The Company has identified an inadvertent error with the November 30, 2020 Electric DSIC Rate filing and is requesting permission from the Commission to set the Electric DSIC Rate to 0.00% until June 30, 2021.

The Company is still evaluating the issue and commits to provide additional information to Staff as the Company assesses remediation alternatives. The Company will address the issue in more detail in its May 2021 DSIC filing, but wanted to take corrective action at this time.

A copy of this Request has been provided to the Delaware Division of the Public Advocate (“Public Advocate”). Pursuant to 26 *Del. C.* § 315(b)(1), customers not principally represented by the Public Advocate pursuant to 29 *Del. C.* § 8716(e)(2) and who have informed the Commission

in writing of their desire to be served must be served with a copy of this Request. Delmarva has not been advised that any such customers have informed the Commission of a desire to be served, but Delmarva will nevertheless provide the Delaware Energy Users Group and the Chemical Industry Council of Delaware with copies of this Request.

WHEREAS, for the reasons set forth herein, Delmarva Power & Light Company respectfully requests the Commission to enter an order that permits Delmarva to assess an Electric DSIC Rate of 0.00%, effective April 1, 2021.

Respectfully Submitted,
